Wild Mountain Thyme-crd
Joan Baez (Celtic folk tune)

Capo II

D Dsus4 Dsus4 4x

        D           G   D     (D Dsus4 Dsus4)
Oh, the summer time is coming
        G           Em      D         (D Dsus4 Dsus4)
And the leaves are sweetly blooming
        G    Bm       D    (D Dsus4 Dsus4)
And the wild mountain thyme
        Em              G
Blooms around the purple heather
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?

          G        D     (D Dsus4 Dsus4)
And we'll all go together
        G    Bm       D    (D Dsus4 Dsus4)
To pull wild mountain thyme
     Em                 G
All around the purple heather
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?

      D        G           D  (D Dsus4 Dsus4)
If my true love, he won t go
        G      Em    D
I will surely find another
        G    Bm       D    (D Dsus4 Dsus4)
To pull wild mountain thyme
     Em                 G
All around the purple heather
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?

          G        D     (D Dsus4 Dsus4)
And we'll all go together
        G    Bm       D    (D Dsus4 Dsus4)
To pull wild mountain thyme
     Em                 G
All around the purple heather
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?

       D        G      D    (D Dsus4 Dsus4)
I will build my love a tower
        G       Em     D
At the foot of yonder fountain
    G   Bm       D   (D Dsus4 Dsus4)
And only if I ll pull
        Em              G
All the flowers of the mountain
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?

          G        D     (D Dsus4 Dsus4)
And we'll all go together
        G    Bm       D    (D Dsus4 Dsus4)
To pull wild mountain thyme
     Em                 G
All around the purple heather
         D   G       D  (D Dsus4 Dsus4)
Will you go, laddie, go?
