Bethlehem's Beautiful Star
Words: Julia Johnston, 1893.
Music: Daniel Towner.

List to the beautiful story
Of Bethlehem's wonderful star,
Shining in radiant glory
Over the heavens afar.

Refrain

Wonderful star! Glorious star!
Guiding the wise men who came from afar,
Softly thy light shines thro' the night,
Bethlehem's beautiful, beautiful star,
Bethlehem's beautiful, beautiful star.

All thro' their journey so lonely
The pilgrims that came from the East,
Followed this guiding light only,
Till the long wandering ceased.

Refrain

Seeking the Savior so holy,
Who came to be Israel's king,
Soon to His cradle so lowly,
Gold and frankincense they bring.

Refrain

Jesus, Thou star of the morning,
Tho' I'm but a child in Thy sight,
Turning from sin at Thy warning,
Gladly I follow Thy light.
