G C G
Well it's Christmas time in the valley
D7 G
Daddy's coming home there's a smile upon his face
C G
Mamma's cooking pies and my sister Jo is playing
D7 G
Well it's Christmas time in the valley once again

C G
Feel the palm trees swaying as if their dancing
D7 G
Here comes Santa Clause to the valley once again
C G
Well it's Christmas time in the valley
D7 G
And I find happiness in the valley once again

C G
Well it's Christmas time in the valley
D7 G
And I find happiness in the valley once again
C G
Feel the palm trees swaying as if their dancing
D7 G
Yes it's Christmas time in the valley once again
