

The Hat I Got For Christmas Is Too Big

The hat I got for Christmas is too big
It's nice, but my sombrero is too big
Is it raining, is it snowing, I can't see where I am going
'Cause the hat I got for Christmas is too big

But ring the bells and beat the drum
Ring the bells and beat the drum
I'll ring the bells to be polite
But if I see that Sant Claus I'm going to start a fight

The hat I got for Christmas is too big
Oh, it's nice, but my sombrero is too big
If you wonder why I shiver, I fell three times in the river
'Cause the hat I got for Christmas is too big

But ring the bells and beat the drum
Ring the bells and beat the drum
I'll ring the bells, but I feel sick
'Cause Mr. Sant Claus you played on me a dirty trick

The hat I got for Christmas is too big
It's nice, but my sombrero is too big
If you think it's hot in Siam, you should be in here where I am
The hat I got for Christmas is too big

The hat I got for Christmas is too big
It's nice, but my sombrero is too big
Can't tell one thing from another, I got married to my brother
The hat I got for Christmas is too big

But ring the bells and beat the drum
Ring the bells and beat the drum
I'll ring the bells and say : "Ol"
But Mr. Seor Sant Claus you spoiled my holiday
Porqu sucha sombrero grande Sant Claus ?
