

With Christmas Near

Courier New, Courier, monospace;">With Christmas Near
Recorded by Ray Price

C F
At this time of year with Christmas time so near
G7 C
I start to hear those songs that make me blue
F
Songs about the snow and the mistletoe
G7 C
Everywhere I go there's memories of you

F
Again for me this year there'll be no Christmas cheer
G7 C
Until I'm free and your memory disappears

F
There's a Christmas tree where it used to be
G7 C
But the lights have all burned out some time ago
F
There's no Christmas card yet the hardest part
G7 C
Is the fear that I won't see you anymore
