C
My heart is breaking darling and many tears are falling
G7
Falling falling falling just for you
C
My eyes are burning darling while my heart is sad and yearning
C
Yearning yearning burning just for you
F
You didn't have to go and leave me all alone
C
I'm sure you think that breaking hearts is fun
F
But someday you may find out when your new love is gone
D7 **G7**
That deep down in your heart I'm still the one
C
I need you with me darling always with me darling
G7
Need you need you need you I'm so blue
Oh hear my calling darling and stop these tears from falling
C
Falling falling falling just for you
Repeat
