

Flowers For Mama-George Jones**Author:Eddie Noack, Cindy Walker, Al Rumley**

C F C
Papa brought flowers for mama today
D7 G7
And all the grown children but it's not mother's day
C F C
I don't have no money not even a dime
G7 C
But I brought mama flowers like I have all the time
F C
Everyday I pick flowers from this pretty hill
D7 G7
A small box of Daisies and a few Daffodils
C F C
I bring them to mama at the end of the day
G7 C
And say flowers for mama here's mama's bouquet
F C
They brighten her face and she holds me close
D7 G7
She'd say they are more precious than a beautiful rose
C F C
And she wore a smile sweeter than millions of flowers
G7 C
A smile that I'll carry through life's darkest hours

Spoken:

Now mama was lying there yes they tell me she passed away
And she was surrounded by flowers that out shined my bouquet
I know mine aren't fancy but still all the while
They were placed in her hand and I know I saw mama smile

F C
Flowers for mama I picked them today
D7 G7
Not very much just a simple bouquet
C F C
Mom wasn't so fancy but up there above
G7 C
She's the prettiest flower in God's garden of love
