C
I was fooling
When I said I'd always love you G7
Just fooling
When I said that I'd be true C
Now you're gone
There's an aching that I can't seem to lose F
And I wonder C
Was I ever fooling you G7 C
And now that I realize F
I can't have you C
It's finally dawned on me D7
Just who the fool could be G7
C
But this time believe me
I'm not fooling you F
I just can't talk my heart C
Into unloving you G7 C
repeat #3,4
C
But this time believe me
I'm not fooling you F
I just can't talk my heart C
Into unloving you G7 F
