

Poor Man's Sunshine
by Donovan

Come out of the darkness and into the light
Come out of the darkness and into the light
Come out of the blind and into the sight
Come out of the darkness and into the light

I'm just a poorman's sunshine

Come out of the water and into the air
Come out of the water and into the air
Come out of the know and into the where
Come out of the water and into the air

I'm just a poorman's sunshine

Come out of the water and into the air

I'm just a poorman's sunshine

Come out of the street and onto the stage
Come out of the street and onto the stage
Out of my head and onto the page
Come out of the street and onto the stage

I'm just a poorman's sunshine

Come out of the street and onto the stage

Out of the Lincoln and into the Lear
Out of the Lincoln and into the Lear
Away with the past away with the fear
Out of the Lincoln and into the Lear

I'm just a poorman's sunshine, a poorman's sunshine
I'm just a poorman's sunshine, a poorman's sunshine

I'm just a poorman's sunshine, a poorman's sunshine
I'm just a poorman's sunshine, a poorman's sunshine
