

Waves
by Donovan

Are we recording?
This time...

The sea is silver turquoise
The sky is red and gold
As down the ancient highway
Like chariots of old
Sigh soft to me
Sigh soft
Surge through me
Sigh like

Waves upon waves upon waves upon waves upon
Waves upon waves upon waves upon waves

If this is the night, the night that I knew
That you would be true, be true to me
I couldn't say what you gonna do
I don't know what I'm gonna do with these

Waves upon waves upon waves upon waves upon
Waves upon waves upon waves

Can it be [...], I don't know, babe
But it's ok 'cause I gotta [...]
Into the sky my dreams they rise
I don't know if this is

Waves upon waves upon waves upon waves upon
Waves upon waves upon waves

Into the night
Into the night
Days of Van Gogh
I was sorta slow
But I know your waves upon
Upon waves are
Washing over me
Surging over me
Your love like surf
Is waving over me

Waves upon waves upon waves upon waves upon
Waves upon waves upon waves
Waves upon waves upon waves upon waves upon
Waves upon waves upon waves
