

Change Capo 3 Fret

(Bm) One hand
(C) Reaches out
(G) And pulls a (D/F#) lost soul from (C) harm
While a (D/E) thousand (Em) more go un(Cmaj9)spoken for
They say (G) what good have you done
By (F) saving just this one
It's like (Dsus) whispering a (D) prayer
In the (Dsus) fury of a (D) storm

And I hear them (Cmaj9) saying you'll never (G) change things
And no (D7) matter what you do it's still the (G/C) same (G) thing
But it's not the (Cmaj9) world that I am (Em) chang(C)ing
I (G) do this so this (G/C) world will (E7) know
That it will not (G/C) change (G) me (G/C) (G)

(Bm) This heart
(C) Still believes
(G) That love and (D/F#) mercy still ex(C)ist
While all the (D/E) hatred (Em) rage and (Cmaj9) so many say
That (G) love is all but pointless in (F) madness such as this
It's like (Dsus) trying to stop a (D) fire
With the (Dsus) moisture from a (D) kiss

And I hear them (Cmaj9) saying you'll never (G) change things
And no (D7) matter what you do it's still the (G/C) same (G) thing
But it's not the (Cmaj9) world that I am (Em) chang(C)ing
I (G) do this so this (G/C) world will (E7) know
That it will not (G/C) change (G) me (G/C) (G)

(F) As long as one heart still holds (Em) on
Then hope is never really go(G)ne (D)

And (G) I hear them (Cmaj9) saying you'll never (G) change things
And no (D7) matter what you do it's still the (G/C) same (G) thing
But it's not the (Cmaj9) world that I am (Em) chang(C)ing
I (G) do this so this (G/C) world we (D7) know
Never (Em) changes me (C9)

What I (G) do is so
This (G/C) world will (D7) know
That it will not (G/C) change (G) me

(G/C) (G) (Cmaj9) (Em) (C9)
