Verse 2 (same as verse 1)

Well I knew that I was in trouble

When she told me that talk was cheap

Said if your tired get on the sofa

Cause the beds no place to sleep

Then she reached down and she kissed me

Lord knocked me to my knees

And I knew if I was gonna get naked

I was gonna have to roll up my sleeves

And keep it

Rollin'

Love was gonna run me over if I didn't get goin'

She said I wanna feel the earth move under me

Movin' with the motion of the melody

Boy I get the blues if the rhythm aint got no soul

Ya gotta keep it

Rollin'

Verse 3

So I talked her into getting married

But she wouldn't hang up her wheels

I'm afraid I'll take the backseat

To the way the highway feels

But each day she's pullin' over

Mornin' she is too

She knows love is like the highway

The main thing you gotta do

Is keep it

Chorus
