Once A Day
(Bill Anderson)

When you found somebody new, I thought I never would
Forget you for I don't think, I ever could
But time has takin' all the pain, away
Until now, I'm down to hurtin' once a day.

Once a day, all day long
And once at night from dusk to dawn
The only part I wish you weren't gone
Once a day, everyday day, all day long.

--- Instrumental ---

I'm so glad that I'm not like a friend I knew one time
He lost the one he loved then slowly lost his mind
He set around and cried his life away
Lucky me. I've only cried once a day.

Once a day, all day long
And once at night from dusk to dawn
The only part I wish you weren't gone
Once a day, everyday day, all day long.

Once a day, everyday day, all day long...
