Just Where I Am
Lyrics: Fred P. Morris
Scripture:Psalm 71:16
Meter: 8.8.8.8

Just where I am, oh, let me be
A faithful witness, Lord, for Thee;
While others seek a wider sphere,
Oh, keep me faithful, Lord, just here!

Just where I am; the way is rough,
But Thou art near-it is enough;
They rest who lean upon Thine arm-
Oh, make me strong and keep me calm!

And if Thou, Lord, should point the way
To lands afar where shines no ray
Of light divine, then let me go,
To speak of Christ, and heal their woe.

Or if at home Thou bid me stay,
Let me be used to smooth the way
Of those who go at duty's call,
Leaving their home, their friends, their all.

Just where I am, oh, let me win
Some sad, despairing soul from sin;
With heart aflame and face aglow,
Strong in Thy strength, Lord, let me go.
