Rapture Indeed!
Words:James Rowe, ca. 1913
Music:William Marks.

After my trials and troubles are past,
After my burdens aside have been cast,
I shall see Jesus my Savior at last,
That will be rapture indeed!

Refrain

That will be rapture indeed,
Glory and rapture indeed,
When I shall see Him Who died on the tree;
O that will be rapture for me!

When the last battle with sin shall be o'er,
When the wild tempest can beat me no more,
I shall see Jesus on heaven's glad shore,
That will be rapture indeed!

Refrain

When I behold Him and praise Him up there,
Singing with angels in garments most fair,
When in His glory at last I shall share,
That will be rapture indeed!
