Bethesda Is Open
Frederick Denison, 1877.
Howard Doane.

Bethesda is open, the angel has come,
The Spirit is calling for thee;
The waters are troubled, behold, there is room;
Salvation through Jesus is free.

Refrain

Salvation is free, salvation is free,
Salvation through Jesus is free;
The waters are troubled, behold, there is room,
Bethesda is open for thee.

Come press to the waters while mercy is here,
Accept of a cleansing complete;
O, hear the entreaty, dismissing your fear;
Lo, judgment and mercy now meet.

Refrain

The house of Bethesda for sinners was built,
The pool is a fountain of love;
The waters are troubled for canceling guilt,
And still for our healing they move.
