

Alberta Bound-crd

(D) Oh the prairie lights are burning bright
The Chinook wind is a-moving in
Tomorrow night I'll be Alberta (G) bound
(A) Though I've done the best I could
My old luck ain't been so good and
Tomorrow night I'll be Alberta (D) bound
No one I've met could e'er forget
The Rocky Mountain sunset
It's a pleasure just to be Alberta (G) bound
I (A) long to see my next of kin
To know what kind of shape they're in
And tomorrow night I'll be Alberta (D) bound
Alberta (G) bound, Alberta (D) bound
It's good to (A) be Alberta (D) bound
Alberta (G) bound, Alberta (D) bound
It's good to (A) be Alberta (D) bound

Oh the skyline of Toronto is something you'll get onto
But they say you've got to live there for a while
And if you got the money you can get yourself a honey
With a written guarantee ta make you smile
But it's snowing in the city
And the streets and brown and gritty
And I know there's pretty girls all over town
But they never seem to find me
And the one I left behind me
Is the reason that I'll be Alberta bound

Alberta bound, Alberta bound
It's good to be Alberta bound
Alberta bound, Alberta bound
It's good to be Alberta bound
It's good to be Alberta bound
