Omnipotent Redeemer
By:Rev. Charles Wesley (1707-1788)
From: Hymns on the Acts of the Apostles, Manuscript
Tune:Triumphant
Comp:J. Butler Fortay, 1901

1)Omnipotent Redeemer,
Our ransomed souls adore Thee;
Whate'er is done
Thy work we own,
And give Thee all the glory;
With thankfulness acknowledge
Our time of visitation;
Thine hand confess,
And gladly bless
The God of our salvation.

2)Thou hast employed Thy servants,
And blessed their weak endeavors,
And lo! In Thee
We myriads see
Of justified believers;
The church of pardoned sinners,
Exulting in their Savior,
Sing all day long
The gospel song,
And triumph in Thy favor.

3)Thy wonders wrought already
Require our ceaseless praises;
But show Thy power,
And myriads more
Endue with heavenly graces.
But fill our earth with glory,
And, known by every nation,
God of all grace
Receive the praise
Of all Thy new creation. Amen.
