His Hand In Mine

[C] You may ask me [G7] how I know,
My Lord is [C] real
You may doubt the [G7] things I say
And doubt the way I [C] feel
But I know He's [G7] real today,
He'll always [C] be
I can feel his [G7] hand in mine
And that's enough for [C] me

I will never [F] walk alone.
He holds my [C] hand
He will guide each [D] step I take,
And if I fall, I [G7] know He'll understand
[NC] Till the day he [G7] tells me why,
He loves me [C] so
I can feel His [G7] hand in mine.
That's all I need to [C] know
