

Release Me

written by Eddie Miller, Dub Williams, Robert Yount

[C] Please release me [C7] let me [F] go
[G] I dont love you any [C] more
To waste our lives would [C7] be a [F] sin
Re [C] lease me and [G7] let me love a [C] gain

I have found a [C7] new love [F] dear
[G] And I will always want her [C] near
Her lips are warm while [C7] yours are [F] cold
Re [C] lease me my [G7] darling let me [F] go

Please release me [C7] cant you [F] see

[G] Youd be A fool to cling to [C] me
To live a lie would [C7] bring us [F] pain
Re [C] lease me and [G7] let me love [F] again
