Fm - C#m - B - C#m (2x)

```
Fm  C#m                    B C#m
    i would turn on the tv, but its so embarrassing
Fm  C#m                          B C#m
    to see all the other people, i dont know what they mean
Fm  C#m                    B C#m
    it was magic at first, when they spoke without sound
Fm  C#m                               B C#m
    but now this world is gonna hurt, you better turn that thing down
Fm  C#m                          B C#m
    turn it around
```

to see all the other people, dont know what they mean
it was magic at first, but let everyone down
and now this world is gonna hurt, you better turn it around
