

## Badlands

Lights out tonight, trouble in the heartland  
Got a head-on collision, smashin in my guts man  
Im caught in a crossfire, that I dont understand  
But theres one thing I know for sure, girl  
I dont give a damn  
For the same old played out scenes,  
I dont give a damn  
For just the in-betweens  
Honey I want the heart I want the soul, I want control, right now  
Talk about a dream, try to make it real  
You wake up in the night  
With a fear so real  
Spend your life waiting  
For a moment that just dont come  
Well dont waste your time waiting

Badlands you gotta live it every day  
Let the broken hearts stand  
As the price youve gotta pay  
Well keep pushin till its understood  
And these badlands start treating us good

Workin in the field till you get your back burned  
Workin neath the wheels till you get your facts learned  
Baby I got my facts learned real good right now  
You better get it straight darling  
Poor man wanna be rich, rich man wanna be king  
And a king aint satisfied till he rules everything  
I wanna go out tonight, I wanna find out what I got  
Now I believe in the love that you gave me  
I believe in the faith that could save me  
I believe in the hope and I pray that some day  
It will raise me above these

Badlands...

For the ones who had a notion, a notion deep inside  
That it aint no sin to be glad youre alive  
I wanna find one face that aint looking through me  
I wanna find one place, I wanna spit in the face of these

Badlands
