

Forever Young-crd
(Dylan)

(tune down a half step) E

May God bless and keep you always

May your wishes all come true

May you always do for others

And let others do for you

May you build a ladder to the stars

And climb on every rung

And make you stay forever young

May your hands always be busy

May your feet always be swift

May you have a strong foundation

When the winds of changes shift

May your heart always be joyful

May your song always be sung

And make you stay forever young

Forever young, forever young

May you stay forever young

Thanks John
