**Goin' back to Georgia**

**Well I'm goin back to Georgia**
**To spend my last few years**
**Away from the sadness and the tears**
**Well I've been out to San Francisco**
**Well I travelled on down to L.A.**
**Still only one place that I can stay**

**With my last few dollars**
**And I'm gonna bring my last few dimes**
**Goin' back to Georgia**
**And I'm goin' back one more**
**And I'm goin' back one more time**

**Well I went up to New York City**
**And I've been out the Chicago loop**
**Still only one place that I found truth**
**When I sailed down the Mississippi**
**Well I gambled in New Orleans**
**Still no finer site I ever seen**

**With my last few dollars**
**And I'm gonna bring my last few dimes Goin back to Georgia**
**And I'm goin' back one more time**
**And I'm goin' back one more time**

**Well I'm goin back to Georgia**
**Spend my last few years**
**Away from the sadness and the tears**
**And I'm goin' back to Georgia**
**Said I'm goin' back to Georgia**
**And I'm goin' back to Georgia**
**Said I'm goin' back to Georgia**
**You know I'm goin' back to Georgia**

**With my last few dollars**
**And I'm gonna bring my last few dimes**
**Goin' back to Georgia**
**And I'm goin' back one more time**
**and I'm goin' back one more time**
**And I'm goin' back one more time**
**Said we're goin' back one more time**
