

Happy - crd

(Song's speed up 1/4 step)
 | C | C Maj 7 | F | F | C

Some need gold and some need diamond rings
 Or a drug to take away the pain that living brings
 A promise of a better world to come

When whatever here is done
 I don't need that sky of blue
 All I know's since I found you

I'm happy when I'm in your arms
 Happy, darling, come the dark
 Happy when I taste your kiss
 I'm happy in a love like this

There's a house upon a distant hill
 Where you can hear the laughter of children ring
 Guardian angels, they watch from above
 Watching over the love that they bring
 But at night I feel the darkness near
 I awake and I find you near

I'm happy with you in my arms
 I'm happy with you in my heart
 Happy when I taste your kiss
 I'm happy in love like this

In a world of doubt and fear
 I wake at night and reach to find you near
 Lost in a dream, you caught me as I fell
 I want more than just a dream to tell

We're born in this world, darling
 With few days and trouble never far behind
 Man and woman circle each other in a cage
 A cage that's been handed down the line

Lost and running 'neath a million dead stars
Tonight ^{Dm} let's shed our skins and ^{Am} slip these bars

^F ^C ^{Dm} ^{Am}
Happy in each other's arms
^F ^C ^{Am} ^{Am}
Happy baby, come the dark
^F ^C ^{Dm} ^{Am}
Happy in each other's kiss
^F ^C ^{Dm} ^{Am} | ^{Am} | ^{Am} | ^F ^C | ^{Dm} ^{Am} | ...
I m happy in a love like this
