<sup>B</sup>  
Took my baby to a picture show

Found a seat in the back row

Sound came up lights went down

<sup>E</sup>  
Rambo he was blowin' 'em down  
<sup>B</sup>  
I don't need no gun in my fist baby <sup>F#m</sup>

<sup>C#m</sup>  
All I need is your sweet kiss

<sup>A</sup>  
To get me feelin' like a real man <sup>B</sup>

<sup>A</sup>  
Feelin' like a real man <sup>B</sup>

<sup>E</sup>  
Well you can beat on your chest

<sup>F#m</sup>  
Hell any monkey can

<sup>A</sup>  
But you got me feelin' like a real man <sup>B</sup>

<sup>A</sup>  
Oh feelin' like a real man <sup>B</sup>

Me and my girl Saturday night

Late movie on channel five

The girls were droppin' they're droppin' like flies <sup>E</sup>

To some smooth talkin' cool walkin' private eye <sup>B</sup>

I ain't got no nerves of steel

<sup>F#m</sup>  
But all I got to know is if your love is real <sup>C#m</sup>

<sup>A</sup>  
Oh get me feelin' like a real man <sup>B</sup>

<sup>A</sup>  
Oh feelin' like a real man <sup>B</sup>

<sup>E</sup>

Well, I ain't no fighter that's easy to see

And as a lover I ain't goin' down in history

But when the lights go down and you pull me close

Well I look in your eyes and there's one thing I know <sup>E</sup>

<sup>B</sup>  
Baby I'll be tough enough <sup>F#m</sup>
