

Sad eyes

Every day here you come walking
I hold my tongue, I dont do much talking
You say youre happy and youre doin fine
Well go ahead, baby, I got plenty of time
Sad eyes never lie
Sad eyes never lie

Well for a while Ive been watching you steady
Aint gonna move til youre good and ready
You show up and then you shy away
But I know pretty soon youll be walkin this way
Sad eyes never lie
Sad eyes never lie

Baby dont you know I dont care
Dont you know that Ive been there
Well if something in the air feels a little unkind
Dont worry darling, itll slip your mind

I know you think youd never be mine
Well thats okay, baby, I dont mind
That shy smiles sweet, thats a fact
Go ahead, I dont mind the act
Here you come all dressed up for a date
Well one more step and itll be too late
Blue blue ribbon in your hair
Like youre so sure Ill be standing here
