

She's a rocker

I got a 007 watch, it's a one and only
It's got a I Spy beeper that tells me when you're lonely
I got a Batmobile so I can reach ya' in a fast shake
When your world's in crisis of an impendin' heartbreak
???
Left the keys to my heart ??? hey hey hey
Hey hey hey

If you're hanging from a cliff or you're tied to the tracks, girl
If Columbo split and you can't find Kojak
True love is broken and your tears are fallin' faster
You're sufferin' from a pain in your heart or some other natural disaster
Now I don't care what kind of mess you're in
If they put up a roadblock, I'll parachute in
Well hey hey
Well hey hey
Oh hey hey

So you fell for some jerk who was tall, dark and handsome
Then he kidnapped your heart and now he's holdin' it for ransom
Well don't you call Dick Tracey I'm gonna go, go and get it back
You know I would'a taken better care of it than that
Sometimes I get so hot girl, well, I can't talk
But when I'm with you I cool off
Well hey hey
Well hey hey
Well hey hey
Just a rockin' with you
Just a rockin' with you
Just a rockin' with you
Just a rockin' with you
Just a rockin' with you
Just a rockin' with you
