

## Slow fade

You say you've found another man who does things to you that I can't  
And that no matter what I do it's all over between me and you  
I don't believe what you say  
But love can I change it one day?  
And baby

I don't wanna fade away  
No I don't wanna fade away  
???  
Cause baby I don't wanna fade away

Well now you say that you've made up your mind  
It's been such a long, long time since it's been good with us  
And that somewhere back along the line  
You lost your love and I lost your trust  
Now I don't wanna ask  
I don't believe what you're saying

Cause baby I don't wanna fade away  
Oh I don't wanna fade away  
Oh no I don't wanna fade away

You say it's not easy for you  
And that you've been so lonely  
While other girls go out doing what they want to do  
You say that you miss the nights when we'd go out dancing  
It was the days when you and I walked as two  
You say that I never loved you  
Well girl you know thats not true

Now baby I don't wanna be just another useless memory holding you tight  
Or just some other ghost out on the street to whom you stop and politely  
speak  
Thats right  
And if you vanish into the night  
Left to vanish into the night  
No darling

I don't wanna fade away  
Oh I don't wanna fade away  
If there is anything I will pay  
Cause baby I don't wanna fade away
