

The ties that bind

You been hurt and youre all cried out you say
You walk down the street pushin people outta your way
You packed your bags and all alone you wanna ride,
You dont want nothin, dont need no one by your side
Youre walkin tough baby, but youre walkin blind

Chorus:

The ties that bind
Now you cant break the ties that bind

Cheap romance, its all just a crutch
You dont want nothin that anybody can touch
Youre so afraid of being somebodys fool
Not walkin tough baby, not walkin cool
You walk cool, but darlin,
can you walk the line
And face the ties that bind
The ties that bind
Now you cant break the ties that bind

I would rather feel the hurt inside,
yes I would darlin,
Than know the emptiness your heart must hide,
Yes I would darlin, yes I would darlin,
Yes I would baby

You sit and wonder just whos gonna stop the rain
Wholl ease the sadness, whos gonna quiet the pain
Its a long dark highway and a thin white line
Connecting baby, your heart to mine
Were runnin now but darlin we will stand in time
To face the ties that bind
The ties that bind
Now you cant break the ties that bind
You cant forsake the ties that bind
