

When The Lights Go Out-crd**F#**

Now you say you have a best friend, you trust him with your life

You trust him with your money, you trust him with your kids

You'd even trust him with your wife

B

You better watch what's goin' on when the lights are out

When the night is dark, when there ain't nobody lookin' around

Yeah when the lights are out, ^{**A**}down in this dirty little town ^{**F#**}

Well now the world is dark and funny, better listen up to what I say

You ain't gonna know what's going on by what you see in the light of day

B

You gotta watch what's goin' on when the lights are out

When the night is dark, when there ain't nobody lookin' around

Yeah when the lights are out, ^{**A**}down in this dirty little town ^{**F#**}**B**Now you swear that she trusted you ^{**F#**}^{**B**}Within reason I understand ^{**F#**}^{**B**}But you kept slippin' in late at nightAnd in the mornin' you had that smell on your hands ^{**F#**}

Well now the world is turning, Rome is burning

Me, I'm watching and I'm learning

They say sure as God's hand and the tickin' of the clock

The lord's light'll shine under every slimy rock

Well last night I slept the sleep of fear

And I heard God's voice whispering in my ear

B

He said you better watch what's going on when the lights are out

When the night is dark, when there ain't nobody lookin' around

Yeah when the lights are out ^{**A**}down in this dirty little town ^{**F#**}^{**A**}Down in this dirty little town ^{**F#**}
