

Working on a dream

Out here the nights are long, the days are lonely
I think of you and I'm working on a dream
I'm working on a dream

Now the cards I've drawn's a rough hand, darling
I straighten my back and I'm working on a dream
I'm working on a dream

I'm working on a dream
Though sometimes it feels so far away
I'm working on a dream
I know it will be mine someday

Rain pourin' down, I swing my hammer
My hands are rough from working on a dream
From working on a dream

I'm working on a dream
Though trouble can feel like it's here to stay
I'm working on a dream
Our love will chase the trouble away

I'm working on a dream
Though it can feel so far away
I'm working on a dream
And our love will make it real someday

The sunrise come, I climb the ladder
The new day breaks and I'm working on a dream
I'm working on a dream
I'm working on a dream
I'm working on a dream

I'm working on a dream
Though it can feel so far away
I'm working on a dream
And our love will make it real someday
I'm working on a dream
Though it can feel so far away
I'm working on a dream
And our love will make it real someday
