     D             G           D
Amazing Grace, how sweet the sound,
 A7
That saved a wretch like me.
     D                  G        D
I once was lost, but now im found,
                 A7      D
Was blind, but now I see.

    D                            G        D
Twas grace that thought my heart to fear,
                         A7             D
and grace my fears released. How precious
      G           D                    A7     D
did that grace appear, the  hour I first believed.

 D                            G        D
When we've been there ten thousand years,
 D                          A7
bright shining as the sun,
  D                          G            D
we've no less days to sing god's praise
  D                 A7           D
than when did when we first begun.
