Shame On You

Shame, shame on you
Shame, shame on you
You took my heart as a token
When returned it was broken
Don't you hide, shame on you

Shame, shame on you
Shame, shame on you
You ran around with other guys
Tried to lie when I got wise
Foolish girl, shame on you

Shame, shame on you
Shame, shame on you
You ran around with other guys
Tried to lie when I got wise
Foolish girl, shame on you

Shame, shame on you
Shame, shame on you
You took my heart as a token
When returned it was broken
Don't you hide, shame on you
Don't you hide, shame on you
Don't you hide, shame on you
