Still Water Runs The Deepest

Still water runs the depest like a love complete and through
So peaceful and dependable I can't say the same about you

Your love is cold and selfish and it never could be true
One time I loved you truly I can't say the same about you
I'm leaving and I won't be back I'm goin' to where I belong
Too long we've been together and too long you've done me wrong
Still water runs the depest...
[guitar - mandolin]
Well I'm leaving and I won't be back...
Still water runs the depest...
