

I'll Pray For You song lyrics

WWII songs from www.traditionalmusic.co.uk

I'LL PRAY FOR YOU

I'll pray for you while you're away,
Each night and day, I'll pray for you,

I'll pray for you till troubles cease,
then you and I will live in peace,

'Though my tears are falling,
a smile will still remain,
the smile that I'll be saving
to greet you back again

My love for you,
will brightly burn
'Til you return,
I'll pray for you
