D **G** **D**
That old Photograph of ours sure looks out of place

The ones you say you'll miss when your gone

Don't Li-eeeeee, Don't try to fool me
G **D**
Cause boy, I know what's going on
D **G** **D**
Don't Li-eeee, You owe it to me
Bm **G** **A**
Leave me well enough alone
G **A**
So just go ahead and say goodbye

And tell me how it's killing you inside
