Em **C**
Its been a long time coming
Em **C**
As you shed a lonesome tear
G **C**
And now you're in a wonder-ama
G **C**
I wonder what you're doing here
Em **C**
The flame no longer flickers
G **C**
You're feeling just like a fool
G **C**
You keep staring into your liquour
G **C**
Wondering what to do
D **C**
I don't hardly know but I'd be willing to show you
D **B/D#** **EmF**
I know a way to make you smile
D **G** **C** **EmC**
Let me touch you for a while

Em **C**
I'm gonna ruin my black mascara
Em **C**
You're drinking whiskey when it should be wine
G **C**
You keep on looking into that mirror
Em **C**
But to me you're looking really fine
D **C**
I don't hardly know you, but I'd be willing to show you
D **B/D#** **Em** **Em/D#**
I know a way to make you laugh at that cowgirl
Em/D **A/C#**
As she's walking out the door
C **D** **Em**
I know a way to make you smile
Em/D# **Em/D** **A/C#**
Just let me whisper things you've never heard before

Just let me touch you baby, just let me touch you for awhile
