

Never Gonna Roam Again

Verse 1: (Waylon)

C/G **F** **C/G**
I've giving up on running off each time i want to go
 Am **G**
Quite a change has come to slow me down
C/G **F** **C/G**
I've set aside an empty search for something always wrong
 Am **G**
And i took the time to look around

Verse 2: (Johnny)

C/G **F** **C/G**
I've wandered down some lonesome lines and slept beside the road
 Am **G**
Turned my collar to a freezin' wind
C/G **F** **C/G**
And i faced the day i lived alone and drank til i was dry
 Am **G**
Givin' up for gone down to the bone
F **C/G**
But i don't believe i'm ever gonna roam,again

Verse 3: (Waylon)

C/G **F** **C/G**
I traded all my promises on things that i can't keep
 Am **G**
Keep them with my back against the wall
C/G **F** **C/G**
Changed my mind so many times i don't know where i stand
 Am **G**
Lucky i can even stand at all

Verse 4: (Johnny)

C/G **F** **C/G**
And i fool myself and no one else til daylight drove me home
 Am **G**
Sleeping off outback the whole day long
F **C/G**
And i don't believe i'm ever gonna roam,again
C/G **F** **C/G**
Because everywhere a fool has been a fool has been there too
F **C/G**
And i don't believe i'm ever gonna roam,again
