

Quit Hollerin' At Me

(John Prine/Gary Nicholson)

F#m

F#m

I don't want your big French Fry
I don't want your car
I don't want to buy no soap
>From no washed-up movie star

Bm

You are so much louder
Than the show I wanna hear

F#m

With your sugarless gum
Gee, but I'm dumb
Non-alcoholic beer

Bm

It's enough to make a grown man

E

Blow up his own TV

F#m

Quit hollerin' at me
Quit hollerin' at me

F#m

I heard you the first time
I heard myself say
Seems like the little woman
Is getting bigger every day

Bm

You don't have to tell the neighbors
A little silence ain't no sin

F#m

They already think my name is
Where in the hell you been?

Bm

E

Louder, louder, louder, louder, louder
Constantly

F#m

Quit hollerin' at me
Quit hollerin' at me

Bm

E

Whoa oh whoa oh

Bm

F#m

Sweet Serenity

Bm

E

Whoa oh whoa oh

Bm **F#m**

Quit hollerin' at me

Quit hollerin' at me

F#m

Ain't it great at the end of the day

When there ain't no sound around

Just me and the fence post

Staring each other down

Bm

Nothing but a big bunch of nothing

Driving me insane

F#m

Cause there ain't no voice that's louder

Than the one inside my brain

Bm

Hey you go on

E

Go on and let me be

F#m

Quit hollerin' at me

Quit hollerin' at me

Bm

Whoa oh whoa oh

Bm **F#m**

Sweet Serenity

Bm

Whoa oh whoa oh

F#m

Quit hollerin' at me

Quit hollerin' at me

Quit hollerin' at me

Quit hollerin' at me

Quit hollerin' at me

F#m

(Repeat and Fade....)
