Are You Tired of Me My Darling

Are You Tired of Me My Darling

Are you tired of me my darling
Do you mean those words you said
That have made me yours forever
Since the day that we were wed

Tell me could you live life over
Would you make it otherwise
Are you tired of me my darling
Answer only with your eyes

Do you ever rue the springtime
When we first each other met
How we spoke in warm affection
Words my heart can ne'er forget

Do you think the bloom's departed
From the cheeks you thought so fair
Do you think I've grown cold hearted
'Neath the load of toil and care
