Crossed Old Jordan's Stream

Crossed Old Jordan's Stream

Good old neighbor's gone along,
Gone along, gone along
Good old neighbor's gone along
Crossed old Jordan's stream

Thank God, I got religion and I do believe
And I do believe, and I do believe
Thank God, I got religion and I do believe
Crossed old Jordan's stream

Good old Mother's gone along,
Gone along, gone along
Good old Mother's gone along
Crossed old Jordan's stream

Good old Christian's gone along
Gone along, gone along
Good old Christian's gone along
Crossed old Jordan's stream
