Dead Puppies

D....A.....Bm....F#m
////-////-----////-////
Dead puppies, dead puppies

G....A.....Bm....F#m
////-////----////-////
Dead puppies aren't much fun.

Verses: They don't come, when you call
They don't chase no squirrels at all
Dead puppies aren't much fun

Mom said puppies' days are through
Then she chunked him in the stew
Dead puppies aren't much fun

Puppy died late last fall
He's still rotting in the hall
Dead puppies aren't much fun

////=one measure in 4/4...again, the verse and chorus
are the same (musically)
