Last Unicorn

Last Unicorn
(Jimmy Webb)

```
  G    Am
When the last eagle flies
           Fmaj7            G
Over the last crumbling mountain
   Am
And the last lion roars
       Fmaj7        G
At the last dusty fountain
      Am           G
In the shadow of the forest
          Fmaj7
G
Though she may be old and worn
     F        G
They will stare unbelieving
      C       G/D
At the Last Unicorn

When the first breath of winter
Through the flowers is icing
And you look to the north
And a pale moon is rising
And it seems like all is dying
And would leave the world to mourn
In the distance hear her laughter
It's the Last Unicorn

    C     Am          G   Am   G  Fmaj7
I'm alive...     I'm ali - ve

When the last moon is cast
Over the last star of morning
And the future is past
Without even a last desperate warning
Then look into the sky where through
The clouds a path is formed
Look and see her how she sparkles
It's the Last Unicorn

I'm alive... I'm alive.
```
