In the darkest night, when the sun doesn't shine
A
In the dark night of my soul
Bm G
I hear you call my name
D2/F#
I see you walk in the rain
A
And I know you're in control

D2/F# G
You know the depth of my deepest sin
Bm
Yet you call me as your friend
D2 G A
You gave your very best to me

D DC#Bm
Every morning I seek your fa ce
Bm
Every evening I feel your grace
G A
You are my first love, you are my faithful God
D DC#Bm
Every day is a brand new da y
Bm
I see your face as you look my way
G A
You are my first love, you are my faithful God

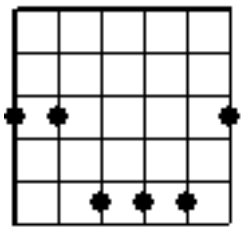

When the strong winds blow
Lord, I feel so alone
The waves of life crash over me
I bow my head to you
Lord, I know your word is true
You are the truth who sets me free
