Pour Out My Heart

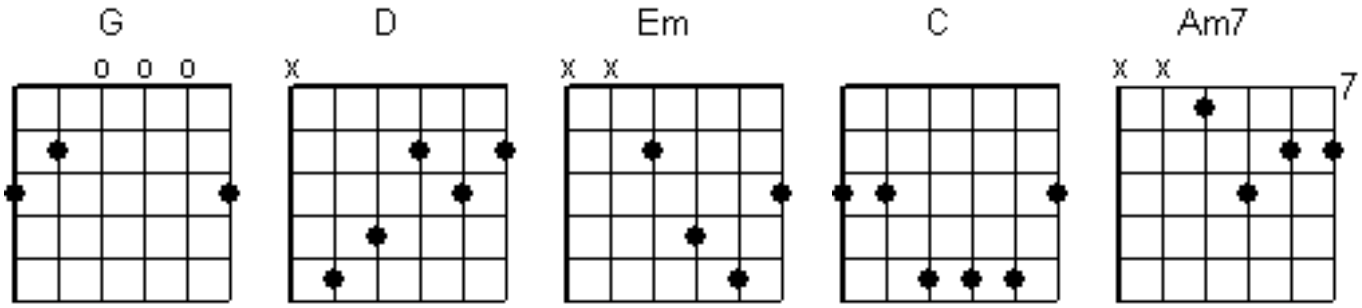

```
      G          D
Here I am, once again
  Em                              C
I pour out my heart for I know that you hear
      G             D
Every cry, you are listening
    Em                  C
No matter what state my heart is in

        G              D
You are faithful to answer
      Em                                C
With words that are true and a hope that is real
     G        D
As I feel your touch
Em                            C
You bring a freedom to all that's within

      Am7   G          C
In the safety of this place
    D7sus
I'm longing to

G                         D
Pour out my heart to say that I love you
Em                        C
Pour out my heart to say that I need you
G                         D
Pour out my heart to say that I'm thankful
Em                        C                              GDEmC
Pour out my heart to say that you're wonderful
