POWER OF GOD

```
          G                                                  Gsus
WELL IT BURNS LIKE A RAGING FIRE FROM MY HEAD DOWN TO MY FEET
                    F             C                          G
IT MUST BE THE POWER OF GOD FLOWIN' THROUGH ME
                                                  Gsus
OH MY SPIRIT'S RISIN' HIGHER AS MY ARMS STRETCH OUT AS WINGS
                    F             C                          G
IT MUST BE THE POWER OF GOD FLOWIN' THROUGH ME
CHORUS
                    G             C                          G   C
IT MUST BE THE POWER OF GOD FLOWIN' THROUGH ME
                    F             C                          D

              G                         C                        G                        C
THERE'S A WIND THAT BLOWS THROUGH MY SOUL AS I DANCE BEFORE MY KING
                    F             C                          G
IT MUST BE THE POWER OF GOD FLOWIN' THROUGH ME

          G                                                Gsus
OH IT LEAVES MY SOUL ON FIRE FROM THE SPARK OF JOY I BRINGS
                    F             C                          G
IT MUST BE THE POWER OF GOD FLOWIN' THROUGH ME
          G                                      Gsus
IT'S AN UNCONTROLLED DESIRE TO DANCE AND SHOUT AND SING
                    F             C      G
IT MUST BE THE POWER OF GOD
