A Few More Seasons
Old Gospel Song

1. Mother first was called to Heaven
Leaving our home all alone.
Dad took sick soon and joined her.
They're reunited around God's throne.

CHORUS:
A few more trying days still face us
A few more weary nights will come.
We'll all be on our way to Heaven
When a few more seasons come.

2. In the springtime when the flowers blossom
Spreading their fragrance all around,
While walking through the little graveyard,
I can see their stones there on the ground.
