Performed: Rich Mullins
Words and music by Rich Mullins and Beaker

Damascus Road

```
D                             G                       D
On the road to Damascus I was hung on the ropes of success
      A                     Bm
When You stripped away the mask of life
          G                          Asus A
They had placed upon the face of death

        Bm
And I wanna thank You Lord
        F#m                   G            Bb
More than all of my words can say (I give my life)
          D  /C# /B  /A        G      Asus A
I give my life      to sing Your praise

And all those fortunes I hoarded
They were the well from which my poverty sprang
Oh they led me to no greater glory and they left me with no less shame

CHORUS

Bb2                          D
I say I wanna give You glory Lord and I do
Bb2                              Bm7/E           A
But everything that I could ever find to offer comes from You
Bm        G                      Bm             Gmaj7
But if my darkness can praise Your light, You give me breath
                D  /C# /B  /A        G      Asus A
And I'll give my life      to sing Your praise

On the road to Damascus
I was hung on the ropes of success
When You stripped away the mask of life
They had placed upon the face of death

        Bm
And I wanna thank You Lord
        F#m                   G            Bb
More than all of my words can say (I give my life)
          D  /C# /B  /A        G              G/A           D
I give my life      to sing Your praise (and beyond this I would not beg)
/C#     /B   /A      G            G/A             D
For anything except of grace (to give my life to sing Your praise)
/C#        /B   /A      G         G/A          D
And beyond this I would not beg (for anything except of grace)
   /C#     /B   /A      G            G/A           D
To give my life to sing Your praise (and beyond this I would not beg)
For anything except of grace (to give my life to sing Your praise)
And beyond this I would not beg (for anything except of grace)
   /C#     /B   /A      G      Em7/A
To give my life, I give my life
          D      /C#        /B     /A  G  Asus A  D
I give my life to sing Your praise
```
