Dear Lord and Father of Mankind

D A
Forgive our foolish ways

D F# G
Reclothe us in our rightful mind

A' D

In purer lives Thy service
Gives a sense of peace.

Gsus4 G D
In deeper reverence praise

o Sabbath rest by Galilee

O calm of hills above

Where Jesus knelt to share with Thee

The silence of eternity

Interpreted by love

In simple trust like theirs who heard

Beside the Syrian Sea

The gracious calling of the Lord

Let us like them, without a word

Rise up and follow Thee

Drop Thy still dews of quietness

Till all our strivings cease

Take from our souls the strained and stress
and let us have a rest.

And let our ordered lives confess
The beauty of Thy name.

The beauty of Thy peace

Breathe through the pulses of desire
Thou coolness and Thy balm

They coolness and my bairn
Let sense be dumb let fles

Let sense be dull, let flesh retire
Speak through the earthquake wind.

Speak through the earthquake, wind and fire
O still small voice of calm

O SELL, SMALL VOICE OF CALM
